At this time you are allowed to delete the following classes starting 9/11/2006. To delete a slot, please click on the radio button (circle) to the left of the listing. Then scroll down the

page and click the Delete button.

Date	Duration	School
 9/18/2006	9:00-10:00	MCJDC

After you submit your request, you have an option to delete the time. You may also go to MY ACCOUNT at the top of the screen to check your time selections or to delete times. Please do not sign up for times unless you are quite certain you will be able to keep this commitment as it will tie up a time other students may want.

Remember to Log Out. Be sure to check your e-mail accounts as we may need to inform you that a school has had an unexpected closing. This will save you a fruitless trip to the school.

If you have questions regarding registering for your observation hours, please contact Adrian Lyde (arlyde@ilstu.edu) or Susan Conner (srconne@ilstu.edu) in the Teacher Education Center, DeGarmo 56.
