C&I 208 Community Observation Codes:

If your students complete clinicals at multiple community sites, please use the following codes:

District: 064 1000 Teacher ID#: X064-1000-0000

If your students complete a clinical at a school, a blue clinical experience documentation form **must** be filled out for that placement. The cooperating teacher's name **must** be clearly written (**print is preferable**) at the bottom of the form.

If county, district, and driver's license numbers are not known, please leave those fields blank. When driver's license numbers are not provided, birth dates are helpful and may be placed beside the classroom teacher's name.
