

Future Teacher Pre-Clinical Experience

at Illinois State
University

Are you interested in becoming a teacher?
Don't miss this great opportunity!

This is an opportunity for future teachers to participate in an early professional experience in an urban school assisting elementary, middle, or secondary classroom teachers.

You will learn the various roles of a teacher by participation in an authentic pre-service teaching experience.

Participants will receive **20 clinical hours** towards the required number for teacher certification.

Transportation will be provided to and from a high-needs urban school within a 60-mile radius of ISU. A bus will leave the Bone Student Center at 6:50 a.m. and return by 12:00 p.m.

To be considered for this pre-clinical experience you must have **Tuesday Mornings Free**. To register, fill out the bottom portion of this form and return to:

*Colleen Herald – Illinois State University - Campus Box 5440 – Normal, IL 61790
or email information to dlwilco@ilstu.edu (subject line = Future Teacher Experience).*
